Audited Financial Statements & Audit Findings

In accordance with Alberta's *Municipal Government Act*, municipalities are required to prepare annual financial statements in compliance with Public Sector Accounting Standards, have them audited by an independent external auditor, obtain Council approval, and submit them to the Province by May 1 each year.

The Town of Cochrane's 2025 Audited Consolidated Financial Statements have been completed in accordance with these requirements and were presented to Council for review and approval.

Council received the 2025 Audit Findings Report for information, acknowledging the results and recommendations presented by the external auditors and approved the Town of Cochrane's 2025 Audited Consolidated Financial Statements as presented.
